

EXPERIENCE ANTARCTICA!

Raytheon Polar Services Company is currently recruiting ARFF certified Firefighters, Lieutenants and Captains to support the United States Antarctic Program. To apply, visit <http://www.rayjobs.com/rpsc>. If you are unfamiliar with this program, check out our website at www.rpsc.raytheon.com. Information is also available in the USAP Participant Guide at <http://www.usap.gov/travelAndDeployment/>.

We are currently looking for people to deploy to McMurdo or, South Pole Antarctic research stations for various periods of time. Summer season generally begins in August or October/early November and runs through the following February. Winter-over contracts generally begin in February and run through August or October.

Contract compensation & program amenities include:

- Weekly salary; subject to all federal, state, & local taxes
- Reimbursement of expenses to physically qualify
- Travel to and from Antarctica
- Housing and Meals
- Extreme cold weather gear (see participant guide for complete list)
- Comprehensive benefit package
- Performance-based bonus upon successful completion of contract (0-20% of earned salary for first contract year)
- Recreational activities

If a position is offered, employment is contingent upon applicant's ability to:

- Provide proof of U.S. citizenship or permanent residency
- Pass strict physical, dental and psychological (winter contracts only) examinations
- Pass a pre-employment drug screen and background check
- Obtain a current passport
