

Air Force Fire Protection Badge ( Cloth Patch )

Desert Sand

CMYK Color Breakout (Cyan-Magenta-Yellow-Black)

**NOTE:** At this time, Per the Institute of Heraldry, The United States Air Force has not approved a Desert Sand color scheme for the Fire Protection Patches. This color scheme was taken from patches that were supplied by Vanguard Military Insignia. At the time the correct information is supplied and or available, the patches shown here will either be changed to match the specifications or will stand as correct.
